## Help Light up Winter the 100 x 100 Appeal

Photo Supplied

By Jan Hawkins COMMUNITY

Light Up Winter was first conceived in 2017 as a way to bring joy and community to Cromwell during the dark winter months.

Organisers say, "We never in our wildest dreams thought that this little event would

capture hearts and minds as it did."

This year the event, scheduled for 9 July, will be much larger than previously.

Marion Low, Marketing and Communications Manager, Cromwell & Districts Promotion Group (CDPG) says,

"Thanks to the grant we received from

the Southern Lakes Event Fund, we are bringing in an ice skating rink for a week. To capitalise on this unique opportunity, it only made sense to upscale the event and reach a wider audience."

By Jan Hawkins EVENT

With the Central Otago Brick Show coming to Cromwell on Matariki weekend, 25-26 June, this is your chance to show family and friends what a genius you are with a bucket of Lego bricks.

The Central Otago Brick show will take place at the Cromwell Bowling Club, with doors opening at 10am till 4 pm.

With over 1500 LEGO exhibitors from around the South Island, and two very special guests - previous contestants on LEGO Masters New Zealand television

show - there will be plenty to keep the whole family entertained.

As well as the fantastic LEGO display, there will be plenty of LEGO activities, including the popular LEGO and Duplo play pits, a LEGO car racing ramp and a chance to create your own custom mini-figure.

LEGO Users Group Otago (LUGO) member Rowena Dunnet says, "LUGO organised the very first LEGO Show of its kind in Cromwell back in 2019, and it was so popular that there were queues at the door."

With low entry fees of \$2 for kids, \$3 for

adults, and families \$10, it is a great fun activity for the whole family. The event is kindly sponsored by Paper Plus and supported by Rotary, who will distribute the proceeds to fund community youth projects in the local area.

Start honing your skills and getting your creative juices flowing now, and by Matariki you will be set to support a great cause, have fun with friends and family, and show off your genius.

The aim of making this a free event for all who attend has been a focus from the start and organisers are of the firm belief that it should remain so. They have therefore come up with the idea of asking the business community and the public at large to support it by donating \$100 - if 100 people generously support the fund, there will be \$10,000 specifically ear-marked to help cover the behind-the-scenes

logistical costs of traffic management, fencing, security, etc.

Kelly Cruikshank-Giles, Community Relationship Manager for CDPG, says, "If you've enjoyed this annual event then we would very much appreciate a donation to assist us to fill the lantern and keep this event in our community. In return for your donation, your logo/name will be listed on our website as a supporter."

Marion says, "Although the event is first

and foremost for our community, it is also an amazing drawcard for visitors from outside the region – strategically placed in the school holidays."

# Cromwell Pool to reopen for school holidays

Editorial Supplied COMMUNITY

The Cromwell Pool, which has been closed for a heating upgrade, is expected to re-open in time for the Term 2 school holidays on Saturday 9 July.

Central Otago District Council Parks and Recreation Manager Gordon Bailey said it was hoped the pool would be back in action on Wednesday 22 June. However, the date needed to be pushed out until 4 July, a few days before the end of Term 2. The extra time would give the team time to complete the work, he said.

"We hoped to avoid this situation by ordering the required equipment well ahead of time but unfortunately due to unforeseen circumstances out of our

control vital equipment has yet to arrive.

"With the current situation regarding freight from other countries, we have a number of items which were due on site that are still on the water. This has had a knock-on effect to work we can carry on with because of the sequencing of the work."

The Cromwell Pool's LPG boiler is being replaced with a centralised water-sourced heating system that uses the town water supply as the heat source. Work began mid-April.

"We have had news from the supplier about the heat exchangers and one of the pumps, that these items are delayed and only due into Lyttleton port

(Friday 3 June), therefore we are unlikely to see them on site until Monday 13 June. With the follow-on works required after installing these items along with commissioning the system I believe we will need the minimum of an extra week to complete everything properly to have the pool up and running."

**The Term 2 holidays run from 9-24 July 2022, with Swim School start at the beginning of Term 3 Monday 25 July.**

## Dine with Wine

### Citrus Glazed Duck Breast, with pickled pear, salad leaves & soft Goats cheese. A modern twist of the classic Duck a l'Orange.

Generous for 4 people, still plenty for 6.

Don't worry, it is very easy. Only three easy elements assemble and no special culinary skills required. It's a flavour explosion and a taste revelation when accompanied by a glass of 2021 HAWKSHEAD 'Reserve' Pinot Noir.

#### Pickled Pear

2 firm pears, skin on or off, cored & sliced  
½ cup sugar  
1 tsp salt  
½ cinnamon stick  
2 cloves  
3 black peppercorns  
½ cup water  
½ cup Apple Cider vinegar

Mix all ingredients together and bring to the boil. Add sliced pears and boil for 1 minute. Remove from the heat and cool the pears in the pickling liquid.

Roasted Butternut Squash Pre heat oven to 180 C.

Peel, de-seed and cut the butternut in bite size squares. Coat with olive oil fresh thyme and season with salt & pepper. Roast for 20 minutes or until tender.

#### Citrus Vinaigrette

1 ½ oranges juiced & zested (keep the other ½ for the duck glaze)  
1 lemon juiced & zested  
1 TBS honey  
2 TBS Dijon mustard  
3 TBS water  
2 TBS Apple Cider vinegar

Whisk all ingredients together. Yes, there is no oil, which makes it really refreshing.

#### Orange Glaze

½ an orange, juiced & zested  
3 TBS brown sugar, mix well  
Citrus Glazed Duck Breast  
2 Duck breast (available at NW)

- Pre heat oven to 180 C.
- Pat the duck breast dry with a paper towel.
- With a sharp knife score the skin and season well with salt & pepper.
- Place the duck skin side down in a cold pan with no oil.
- Turn on the pan to a medium heat and gently cook for 8-10 minutes until the fat is rendered and the skin is golden and crispy. Don't rush this step. The duck will release a lot of fat great for roasted vegetables.
- Turn over the duck breast and sear for 1 minute.

Remove duck from pan, baste with glaze and cook for 8 more minutes at 180C, rest for 6 min before slicing against the grain.

Drizzle duck with any additional glaze once sliced.

**To plate,** arrange duck slices, add dressed salad leaves aside and top with pickled pear, roasted butternut, crumbled goats cheese and toasted chopped nuts. Drizzle a little dressing over the whole dish.

### The Hawkshead Pinot Noir

The Hawkshead Pinot Noir 'Reserve' is a new addition to our portfolio of wines and an exclusive blend of fruit from the Lowburn & Gibbston sub-regions.

The wine is medium-bodied and of excellent concentration. Elegant finesse leads to a soft palate, and delicious impressions of brooding dark fruits emerge; plums, Black Boy peaches and ripe cherries. Those flavours are in harmony with lingering dried herbs and a sprinkle of black pepper. Add a memory of dark chocolate, and you will approach Pinot Noir haven.

Refined acidity and integrated velvety tannins lead to a long, harmonious finish. This astounding blend of rounder ripe Lowburn and more savoury slower ripening Gibbston fruit is a classic Central Otago Premium Pinot Noir and will cellar exceptionally well

## ANNA HARRISON CHAIRS COMMENT

I had the opportunity to attend workshops for two of Cromwell's major infrastructure projects last week. It was really fabulous to get the teams back together face to face to review the work that has been happening in the background and to discuss what the next steps will be.

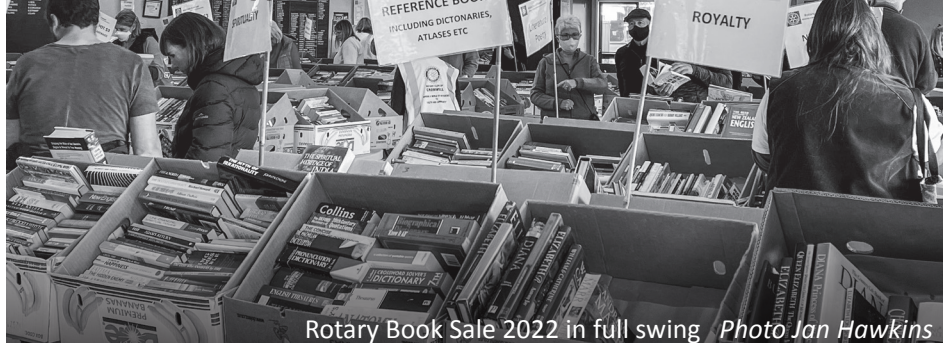

The Cromwell Memorial Hall/Events Centre project advisory group met over two sessions to look at the scope of the project, consider the restrictions of the current site and to give us some feedback on engagement with stakeholders and to update us with the work that is being undertaken. The full board will get an update prior to the next CCB meeting.

NMA gave the board some food for thought with some ideas, concepts, considerations and inspiration for the mall/town centre project. We know that the re-imagining of the spaces in the mall is really challenging. There was some really interesting thinking to get discussion flowing. The stakeholder group and the council were also presented with the workshop at separate meetings.

We have a great opportunity to do something really special with both of these projects and to provide our town with assets that we can be proud of and can take us into the future. Practicing patience through these early phases of the projects is one of the hardest things to do but it is so vital to getting the end result that our community expects.

We are looking forward to having more to share with our community in the near future. We know that it is essential that we have really good understandings of the scope and costs of the projects. The wishlists are long and extravagant and we all want to provide the best outcomes for Cromwell that will stand us in good stead well into the future.

## By the Book - another successful Cromwell Rotary Book Sale

Rotary Book Sale 2022 in full swing Photo Jan Hawkins

By Jan Hawkins EVENT

Queues of book lovers greeted organisers at the door when they opened the annual book sale last Friday, the first day of the three-day fundraising event.

The steady stream of buyers continued through Saturday and Sunday, and organiser Pam Broadhead says that more than \$15,000 has been raised.

"It's been a fantastic sale," says Pam, adding, "More people came through yesterday than we have ever had on the last day of the sale, and of course the third day because of the long weekend was a bonus."

I went along on Friday morning for a photo, and deliberately determined not to take a bag, because I have too many books already. However, the quality of the books, and their tiny prices were just too hard to resist. Everything was organised into categories, so that it wasn't a jumble of tables to search through to find a treasure. Consequently, I came home with New Zealand and international fiction, sheet music x 4, Tramping in New Zealand,

Lauris Edmond's autobiography, latest editions of magazines for long-weekend reading and a huge edition of Grimm Fairy Tales, 'with 211 drawings, etching and woodcuts by great European Illustrators'! It was hard to manage without my bag!

I have promised myself that I will donate more than that volume of books back to next year's event.

Proceeds from this year's sale go to our local Plunket. Pam says, "They have had funding cuts this year, so needed to come to the community for support, and we were thrilled to help, because they provide so much in support and education to benefit our local parents and youngsters. It was such a pleasure to be able to help the young people, as most of our fundraising benefits older age groups."

Pam is grateful to sponsors R&R Hiab, the Cromwell Bowling Club for the venue, the many volunteers who make the sale work, and to the public for being so generous.

# Judith Cullen's Travels in my Kitchen

Judith Cullen Photo Supplied

By Jan Hawkins EVENT

The Bannockburn Arts organisers will soon be announcing the inaugural 2022 Bannockburn Arts School full programme and tutors.

They can't wait to share the details of their exciting programme, which will occur on 4-7 October. It will be followed by the annual Bannockburn Arts Exhibition in the Cairnmuir Woolshed.

As a peek taster for what is ahead, co-organiser Jan Hudson has confirmed that well-known chef and food writer Judith Cullen has agreed to present one of the offerings. She'll be taking a small group of foodies on a virtual cook's tour, which she is calling Travels in My Kitchen. Each day, the group will immerse themselves in the cuisine and culture of one of the countries that Judith has been taking tour groups to for many years. They can expect to be in virtual France one day, Italy the next, Turkey the next and so on - all the countries that Judith herself is passionate about.

Jan says, "We are so delighted to have Judith on board. Her remarkable career has encompassed many aspects of her greatest passions - food, travel and garden creation. Having moved to our area, she is currently creating a new garden. With recipes and menus which focus on Central Otago ingredients and seasonal variation, her classes will inspire and cater for every skill level."

Judith is perhaps most well-known for her small-group travels to her favourite places in the world. Your week at Bannockburn will be unique, informative and fun, and you will be using the wonderful products of Central Otago to produce the flavours of Europe.

The Eat Taste Central 2022 will be on at this time, and so will the AWE concerts, so visitors may well decide to extend their stay.

The full Bannockburn Arts School will feature a wine masterclass week with our best local winemakers, classes in visual arts, clay sculpture, poetry, family memoir, creative writing and photography. Best of all, the tutors will be highly respected, talented artists and tutors, and all from our local region.

Each evening, there will be different entertainment and visits available for the hundred or so participants to opt into if they choose, including a visit to Poison Creek, the amazing nationally-recognised sculpture part in the Central hills, and culminating in the opening of the Art Exhibition on the Friday evening.

If you would like to join the mailing list for the announcement of the full programme, please e-mail to [janhudson@xtra.co.nz](mailto:janhudson@xtra.co.nz). You will need to respond promptly once the programme is out, as groups will be kept very small, on a first-come-first-served plus waiting list basis.

Meanwhile, save the date:  
3-7 October, 2022

## "Getting Involved"

**June 19 - 25 is when we celebrate "National Volunteer Week" A time to Shine - take time to reflect on all those who volunteer for our community. It is also Matariki, a new year and a fresh start - a time to dream and make plans for the future.**

Neighbourhood Support and Cromwell Community House are engaging with the volunteers in our Community to deliver Mid Winter Christmas Picnics to nominated people in our community. The picnics and those that deliver them will add a little festive fun, fine food and a friendly chat to the 50-60 people who receive them.

We would also like to thank the many volunteers that act as Group Contacts - they collect information for our database, maintain connections with neighbours and share information about the things they are doing to make our community safer, connected and more resilient.

During the winter months it is important that we stay connected, recognise the value of doing things and reflect on what we need to do to look after ourselves and those around us. Here are some ideas to keep you involved and motivated through June.

- Visit a neighbour.
- Shop for a neighbour or friend.
- Organise a social occasion - movie night, game night, cards night, pot-luck dinner, car rally, group walk or bike.
- Maintain healthy routines - exercise, eat healthy, keep to your regular sleep patterns.
- Learn a new skill or hobby or re-visit old ones.
- Volunteer in the community.
- Go outside when you can.
- Join activities in the community - check your local media for what's on.

**"NOBODY CAN DO EVERYTHING BUT EVERYONE CAN DO SOMETHING"**  
If you would like to know more about Neighbourhood Support please Phone Karen or Beth at Cromwell Community House 03 445 1690. Or pop in and have a chat.

# Molly and Amy are off to National Scout Photography School

Molly Mexted Photo Supplied

By Jan Hawkins COMMUNITY

Next school holidays, from 9 to 17 July, local girls Molly Mexted and Amy Pearson will join a group of 50 keen students from around New Zealand on an 8-day residential course in photography, at a Brookfield Outdoor Education Centre, in Wainuiomata, Wellington.

This will be the fifth year that scouts have attended the course from our local Cromwell Scout Group, as the success of past students spreads by word of mouth.

The course was set up in 2006 by Wellington-based digital artist and carver Norm Heke, who recognised a gap in the opportunities offered to Scouts. He wanted to give Scouts a way to discover whether they were interested in pursuing photography as a career.

Over the 16 years of offering the course, 315 youth aged 13-18 years have taken the opportunity to learn about photography,

to improve their creative and technical ability and to explore its potential career opportunities.

The programme includes lots of practical photography, a visit to a local farm to photograph animals, light painting at night, street photography in Wellington City, and presentations from several guest speakers on particular areas of photography.

For the past 10 years, the New Zealand Defense Force has sent one of their photographers along to assist with tutoring.

Many students continue their photography education when they return to their secondary school studies, and some have continued with photography or media studies at tertiary level.

Molly Mexted, who has been working hard to raise the total funds for the course, says, "I'm really looking forward to attending the school to learn more

about photography. I have had an interest in photography for several years, having spent time with Dad taking photographs."

Molly is looking forward to learning to fully use a digital camera, and to discover Adobe Lightroom software to select images. The goal is that each student produces a portfolio of 15 of their top images, which they can share with their friends back at Scouts and Guides.

"Spending a week in Wellington making new friends is exciting and a little scary," says Molly.

Having worked on grape harvest to raise money for her journey, Molly is now selling pea straw at \$10 a bale to complete her fundraising.

If you would like to support Molly's efforts by purchasing hay, please phone/txt Mark 027 218 8258.

# See you in the Spring!

Here at Cromwell and District News, we are proud to be a team of community-minded enthusiasts creating a truly local, independent paper.

With a strong focus on Cromwell and surrounding districts, we feature current events, support local charities and bring you and, our region's visitors, ideas for activities, things to do, where to go, and more.

Our passion is to bring you news 'from our locals, for our locals'.

The past two years have been hard for local businesses, and when it is hard for our local businesses, it is hard for us too.

We have made a determined effort to promote and feature them, and to encourage locals to support locals, but we

understand that their advertising budgets have had to be adjusted.

With this in mind along with staff shortages we have therefore decided to revamp and reflect over winter's quieter months, and come back in the Spring with a new look, new graphic designers and new ideas. Our last issue will be 8<sup>th</sup> June.

We are, of course, open for business at Quantum Print, and will be offering you our usual high-quality, creative printing services.

From flyers to posters, labels, websites and promotional material Quantum Print is here to serve the Central Otago area.

We are dedicated to helping your business grow

# Lot 47 - Topping Education Scholarship Fund

Editorial Supplied COMMUNITY

Local dental therapist, Hayley James, is a lucky recipient of Cromwell Rotary and Lions Clubs' house build fundraising project, Lot 47. The amazing profit of \$824,436.88 was due to the many businesses supporting the project, including Performance Interiors, PinkFit Central Otago, Roofing Industries, Extreme Roofing, Abodo, Stractco, Putney Roofing and Metal Craft Roofing.

Hayley is studying to obtain a graduate certificate in dental therapy (advanced clinical practice). Hayley is working towards gaining the Dental Council of NZ Scope of Practice for Adult Care in Dental Therapy. This will enable Hayley to provide greater adult oral health care services in Cromwell and Alexandra. Hayley will be able to take on some of the dentists' simple restorative treatments. This will allow improved access to oral health care at reduced cost thereby decreasing the financial burden on the patient

Vicky Topping said in the days when the Cromwell St John team were all volunteers they provided 24/7 cover for the Cromwell District. Monthly training sessions by the Alexandra paramedic was an essential part of the volunteers on-going professional development. Today having more paramedics operating from the Cromwell Station allows flexibility to better meet the

needs of the community, said Vicky. However, the lack of a 24/7 service is concerning, said Doreen Evans.

Did you know that Les Topping, who project managed the Lot 47 build, decided, after working on the dam for 10 years, to have a change of direction? He and Vicky brought a milk run - to everyone's surprise! Yes, Les' nick name became "Ernie" for a number of years.

Remember there is a fund available

to assist anyone to attend First Aid Courses Vicky has organised Essential First Aid Courses (8 hours) to be held on 27 and 28 June, 25 and 26 July as well as First Aid Revalidation course (6 hours) on 4 July. Please contact Vicky on [vickytopping@xtra.co.nz](mailto:vickytopping@xtra.co.nz) or 021 328 991. Alternatively, call Doreen Evans on 027 277 0972 or email [doreen.evans@southernpeaklaw.co.nz](mailto:doreen.evans@southernpeaklaw.co.nz)

### Cromwell Swim Club is looking for a Head Coach

We are looking for a Head Coach to lead and develop a swim program for our group of committed kids that focuses on fun, participation and camaraderie, as well as competition.

Ideally, you will have a relevant coaching accreditation, and have hands on experience coaching swimmers at different levels.

- Provide coaching services as per the Swimming Coaching Agreement up to 10 hours a week Plus planning hours.
- Plan and prepare programmes for competitive swimmers to develop their skills and improve their performance.
- Set goals with swimmers at planned goal setting meetings
- Communicate with families of swimmers to keep them informed of timetables, programmes, and activities and upcoming swim meets that their child should be attending, this will be supported by the Squad Manager.
- Attend swim meets with Cromwell Swim Club swimmers to provide support and guidance
- Creating a well-balanced club culture that is both fun and inspiring.
- Instilling a continuous improvement culture – for swimmers at all levels, and for the club as a whole.

In return... Cromwell Swim Club can offer you the chance to really make an impact at a club that already prides itself on culture and participation in the pursuit of personal goals. You will be working with a fantastic group of swimmers. An hourly rate and reimbursement are part of the package.

# CODC rates set for 2022-23

Editorial Supplied COMMUNITY

The Central Otago District Council rates have been set with the adoption of the 2022-23 Annual Plan at the Council meeting at Alexandra on Wednesday 1 June.

Having not signalled any significant changes for year two of the Council's 2021-2031 Long-term Plan, which involved an extensive public consultation, there was no requirement to consult on the 2022-23 Annual Plan.

In adopting the Long-term Plan (LTP), the average rates increase was predicted to reach 7.8%. However, this has reduced to 7.5%. The fees and charges for 2022-23 financial year were also adopted as part of this process.

At the meeting, Central Otago Mayor Tim Cadogan believed this was a good result, a view he reiterated on his Facebook Live post this week.

"To do the things we have committed to doing in the Long-term Plan last year after significant consultation with the

community, we were anticipating a 7.8% average rate rise which has come back to 7.5%. That is not a bad effort compared to the current rate of inflation, although rates and inflation aren't totally directly linked.

"This is an average rate rise and different areas and different types of properties will have a different level of rise that make up the average. For instance, the Teviot Valley rates increase will be higher due to the impact of the funding agreed last year for the new swimming pool.

"Council has chosen not to reduce any levels of service across the organisation, which is what would have been required to bring the rise back further."

CODC Executive Manager Corporate Services Leanne Macdonald said the

Council had also seen increased costs relating to wastewater and waste (rubbish) collection and disposal.

Wastewater and waste minimisation had increased in year two of the LTP as predicted. This created differences across

the district as well, she said.

"For example, Clyde currently does not pay the wastewater uniform charge of \$601.94, so will not feel the impact of this increase. Hotels and motels that have additional pans will feel the increase of wastewater more than residential ratepayers, who do not get charged for additional pans. Ratepayers who have rubbish bins included in their rates for the first time will feel a greater impact of rising waste collection costs. These variances can be across the ward, and also across ratepayers within the district depending on their individual circumstances; this causes anomalies in our average rates increase.

"Finally, waste collection has also increased, so our bins increased by 6% from \$448 to \$475 for a set of three bins and the waste management charge went from \$69.92 to \$73.98, so while not much in terms of dollars, is still a 5.8% increase in this area. The good news story to this is of course that we need to drive our waste down in order to reduce cost. So, we need to keep encouraging that."

The ward-specific rates were set for Mānīatoto as a 0.4% decrease-average across the district and Teviot a 5.2% increase., Cromwell ward-specific average rates increase was 4.1% and Vincent ward-specific average rates increase was 5%.

"These variances reflect the various ward specific projects going on in their areas.

It should be noted that increases or decreases are specific to these communities and do not include the district-wide charges and metered water charges."
